

A vibrant, colorful illustration of a giraffe and an owl in a lush field. The giraffe, with orange spots, stands on the left, looking towards the owl. The owl, wearing blue-rimmed glasses and holding a blue book, stands on the right. A large, bright rainbow arches across the sky, with raindrops falling on the right side. The background features rolling green hills, a blue lake, and distant mountains under a blue sky with white clouds. In the foreground, there are various flowers, including white daisies and purple lavender, and large green leaves with water droplets on the right.

GINA & OLLIE EXPLORE HOW RAINBOWS FORM

Sunlight holds many colors.
Water drops bend and reflect the light.
The colors spread out into a rainbow.

RED • ORANGE • YELLOW • GREEN • BLUE • INDIGO • VIOLET

Colors blend together.

LOOK & WONDER

Trace the colors from the outside
of the bow inward.
Keep the Sun behind you.
