A World of Little Discoveries

Print the next nine pages on Letter, landscape, at Actual size / 100%.

Turn off Fit, Shrink and borderless enlargement. Keep all pages at the same scale.

Arrange rows A, B, C from top to bottom; columns 1, 2, 3 from left to right.

A grown-up trims the outer paper margins along the picture edges.

Match the repeated 6 mm picture strips. Tape from the back; do not remove both strips.

Join A1-A2-A3 first, then B1-B2-B3 and C1-C2-C3. Match the full rows.

Cut only the indicated paper/overlap edges; keep fingers clear of scissors.

Assembled picture: about 775 × 436 mm.

A3/A4/Letter single posters are separate downloads. Stop whenever you have had enough.
