

A Christmas Treasure Hunt

Picture clues - choose three, or make your own

Look freely first. A grown-up can read the prompts. Hints and answer cues follow; there is no timer or score.

1. A house small enough to hold

Find Santa sharing a pink toy house with an elf.

Hint: Look on the upper floor near the middle.

2. Two ears, one hat

Find the white rabbit in the starry hat on Santa's table.

Hint: Look on the middle floor, close to the staircase.

3. A helper with wheels

Find the robot holding an orange-and-blue roller skate.

Hint: Search at the foot of the central wooden staircase.

4. Above the workbench

Find the red toy airplane beside the snowy window.

Hint: Look high on the right, under the wooden beam.

5. A bright bend in the track

What color is the small car at the upper bend of the toy racetrack?

Hint: Look on the lowest workshop floor near the middle.

7. Warm color in the snow

What color is the snowman's scarf?

Hint: Look at the very bottom-right edge of the snowy yard.

6. Paper ready to wrap

How many wrapping-paper rolls lie sideways on this wall rack?

Hint: Use the close-up at the lower-left wrapping station. Do not count the upright rolls.

8. The biggest parcel holder

Describe the large hanging sack without saying "bag."

Hint: Search beside the snowy archway on the right.
